Hi Visitor!

About Me

Thanks for your interest, here is a quick story of me.

I am Subashree,I loves to solve programming problems in most efficient ways. Apart from that i like to do coding.

I do my work mainly in C-Language, C++ and JAVA. C++ and Data Structure & Algorithm are my stronger section. Besides these I know Web Development, LINUX and database as well.

This website is basically one of my Web Development project which is built using HTML only. Here one can also find ideas for projects in different languages. Thanks again for reading this, because of people like you, it exists and prospers!

Cheers,
GeeksForGeeks.
